

How to Provide the Mandatory Annual HIV Confidentiality Update Training

This training provides managers at health and social service agencies that must comply with New York State's HIV confidentiality law with the skills they need to conduct an annual in-service HIV confidentiality training for their staff and create and update their agencies' HIV confidentiality policies and procedures.

Tuesday, November 9, 2010

9:30 a.m.—12:30 p.m.

Brooklyn Public Library

**Grand Army Plaza
