**Step 5:** There will be two versions of the eBook that you can download. The first is an EPUB version which is a standard file format for e-Reader devices and e-Reader applications on smart devices and PCs. The second is a MOBI file which is only compatible with the Kindle apps and devices.

**I WANT TO DOWNLOAD MY EBOOK ONTO MY IPHONE:**

There are several ways to read your new eBook on your iPhone.

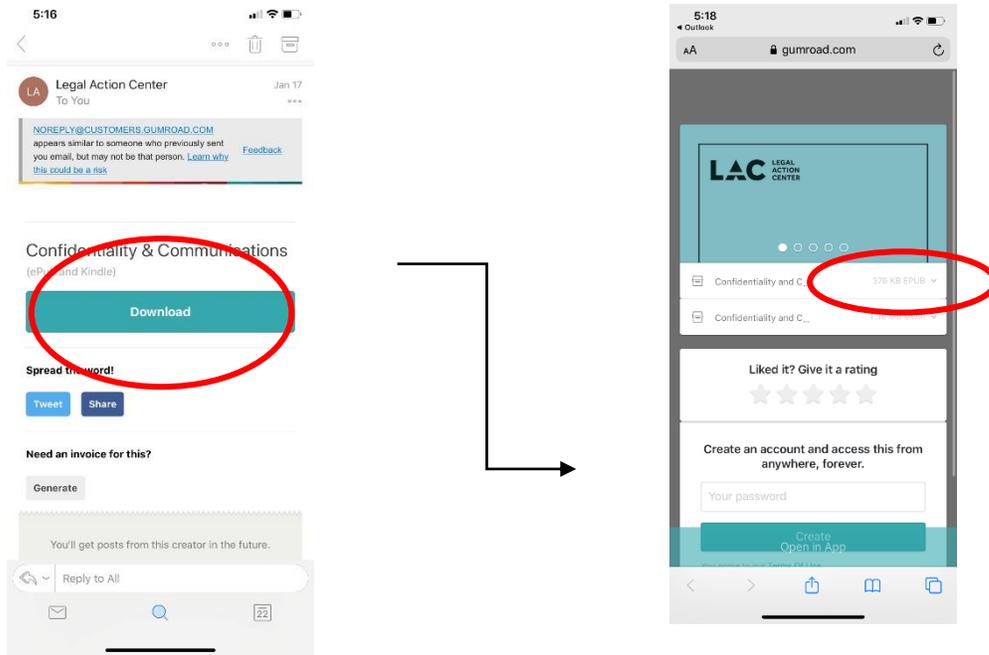

1. Use the Apple Books app (this app comes automatically installed on your iPhone)

See what the Books app looks like below: if you can't find it on your phone, or if you accidentally deleted it, just search for "Apple Books" in the app store and redownload it.
