You will be brought to a webpage with the eBook files that you can download. There are two file options: EPUB and MOBI. Depending on what type of computer you're on, you'll download one or the other. Please see the following steps to determine which file you should download.

### If you have a Mac Computer, please move onto the next step 6. If you have a PC/Windows Computer, please skip to step 9.

### Mac Computer

### 6. If you have a Mac computer, you will need to download the EPUB file of the eBook. This is the FIRST download option. Click "Download".

PLEASE CONTACT MARKETING@LAC.ORG FOR FURTHER ASSISTANCE.

### It will download at the bottom of your screen or you can find it in your recent downloads: Finder > Downloads 7

### PC/Windows

**9.** If you have a PC/Windows computer, you will need to download the MOBI file of the eBook. This is the SECOND download option. Click "Download".

PLEASE CONTACT MARKETING@LAC.ORG FOR FURTHER ASSISTANCE.

**10.** For PC/Windows Computers, we recommend downloading the free Amazon Kindle app:

<u>Amazon Kindle App</u> <u>Click here to download</u>

The app should begin downloading automatically at the bottom of the webpage. When it's ready, double click to open it and begin the download.

12. Once downloaded, the app should open automatically. If not, go to File > Downloads and double click on the Kindle app. It will open and prompt you to sign into your Amazon account. This isn't necessary and you can close out of the pop up window.

PLEASE CONTACT MARKETING@LAC.ORG FOR FURTHER ASSISTANCE.

13. Keep the Kindle app open. Open your downloaded MOBI file of the eBook by going to File > Downloads once again and double clicking on the MOBI file. It should automatically open up in the Kindle app.

If you're having trouble, right click on the MOBI file, select "Open With" and select the Kindle app.
